Criteria for Admission to the Paramedic-Technical Certificate Program:

- A priority for admission into the Paramedic Technical Certificate Program is given to individuals who serve in a “first response” capacity, such as Fire Department, Ambulance, Public Safety, and military personnel. All other interested individuals will be admitted based on date of application and space availability.
- Successfully complete an EMT Program as verified by a program Completion Certificate in order to enter the Paramedic Program.

- An EMT state certificate is required in order to enter the Paramedic II sequence of courses.

Requirements for the Paramedic Technical Certificate Program:

- Completion of 54 semester hours with a grade of “C” or higher in all EMS courses listed below. Students are strongly encouraged to take one (1) general education course in addition to the EMS program courses.

Other Entrance Requirements

- HS Diploma or GED
 - PERT‡
- ‡ The PERT test places students into preparatory level reading, writing and math courses designed to prepare them for college coursework. The PERT test may be replaced by other test or coursework: see the College catalog for more details. All preparatory courses must be completed in order to graduate.
