

BACHELOR OF APPLIED SCIENCE PROGRAMS

Supervision and Management Program Code T 100

The Bachelor of Applied Science (BAS) is designed as a learner-centered degree program that provides specific program learning outcomes. Students, who successfully complete the Supervision and Management degree program, will gain technical hands-on skills through case studies and a capstone project, which will include analysis and problem solving through simulations and similar activities. This program will focus on current and emerging issues in business and management, such as financial markets, international trade, human resources, and will focus on developing comprehensive solutions to real-world problems associated with current management and organizational leadership challenges. Students will acquire knowledge related to the major concepts, principles, and techniques associated with leading cultural diversity in the global marketplace. General program outcomes for the Supervision and Management degree are comprised of specific learning objectives embedded into each of the courses.

Financial Aid

Students may be eligible for financial aid at the junior level when the following occurs:

1. earned associate degree;
2. earned 60 credits toward a Bachelor degree program of study; and
3. enrolled in upper division coursework applicable to their Bachelor degree program of study.

Admission Requirements

The Bachelor of Applied Science is an open access program designed for the adult learner who has earned a two year technical degree and wishes to advance professionally. General admission to Broward College is required, and students will submit a supplemental application to the program. Applicants for the BAS program should have completed a minimum of 15 semester hours of general education requirements as part of their AS or AAS degree. The remaining general education semester hours (totaling 36) will be completed during the Bachelor of Applied Science degree program. Students will meet all of the State of Florida Bachelor of Applied Science general education requirements to be awarded the Bachelor of Applied Science (BAS) degree in Supervision and Management. Students with an Associate in Arts degree (AA) or 60 college credits may be admitted to the program upon recommendation of the Dean Bachelor of Applied Science, and Dean for Student Affairs.

Applicants are required to have a cumulative grade point average (GPA) of 2.0 on a 4.0 scale in all post-secondary coursework. Applicants must be in good academic standing at the last institution they attended. Broward College will automatically access the transcripts of previous or current students applying to the BAS program. As part of the admission process students are required to complete an educational plan; please access the website for more specific procedural information regarding the assistance that will be provided through a personal advisor or counselor in developing the student's educational success plan <http://www.broward.edu/bas>.

General admission to Broward College does not constitute admission to the BAS Program; a supplemental application is also required. The general admission, supplemental, and reentry applications are available on the Broward College website; please use the following links to access these applications:

<http://www.broward.edu>,

<http://www.broward.edu/bas>,

<http://www.broward.edu/stuserv/forms/reg-106.pdf>.

- Students currently attending Broward College who wish to apply for the BAS program are required to complete the supplemental program application
- Graduates or returning Broward College students who wish to apply for the BAS program are required to complete the re-entry application and the supplemental program application
- New students to Broward College must complete the Broward College admissions application, and complete the supplemental application for the BAS program
- International students must first be admitted into Broward College. They are also required to complete the BAS program supplemental application. Please refer to the international admission requirements listed in the online Broward College catalog at www.broward.edu.
- Transfer students must submit a general admission application and complete the supplemental application for the BAS program

Graduation Requirements

The Bachelor of Applied Science degree will be awarded to students who meet the following requirements:

- A minimum of 120 semester credit hours in the prescribed coursework is required for the Bachelor of Applied Science degree. Coursework is comprised of both lower division (AS, AAS, AA) and upper division (BAS) as specified by the program sheet.
- Successful completion of the Capstone Project.
- Students must maintain an overall GPA of 2.0 to meet their graduation requirements.
- Complete eight credits in one foreign language or American Sign Language students who have completed two years of high school foreign language in one language are considered to have met the requirement. Students who have earned an Associate in Arts degree from a Florida Community College or State University System (SUS) institution before the Fall term of 1989, or who have maintained continuous enrollment in a Florida community college or SUS institution before the Fall term, 1989, are exempt from the requirement.
- Be recommended for graduation by the faculty of the student's major field department.
