

BCC Student E-Mail (Microsoft Live Edu)

Microsoft Live Edu allows you to send and receive mail messages, appointments, tasks, notes, and attached files.

The system also has space limitations. **Each e-mail attachment can be no larger than 18MB** and your **mailbox has a limit of 10Mb**.

To obtain your Student E-Mail ID

1. From the Broward College web page (<http://www.broward.edu>) login to myBC.

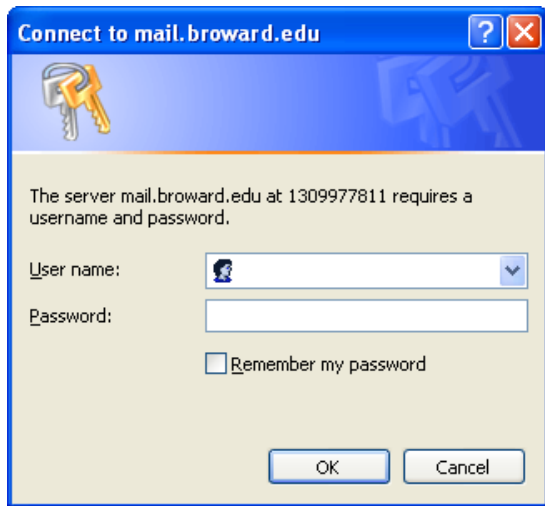

2. Select the Student email / account info icon
3. Select Student Email from the list

The screenshot shows the 'BC - Student Information' page in a Windows Internet Explorer browser. The address bar shows the URL: <https://www.broward.edu/FCCSC/student/studentinfomenu.jsp>. The page features a blue header with the Broward College logo and a navigation menu. Below the menu, it displays a welcome message for Anne M. Berman and her primary program. A 'Student Information' section is highlighted, showing the student's ID as A81005191. A red arrow points to the 'Student Email' link, which is the focus of the instructions.

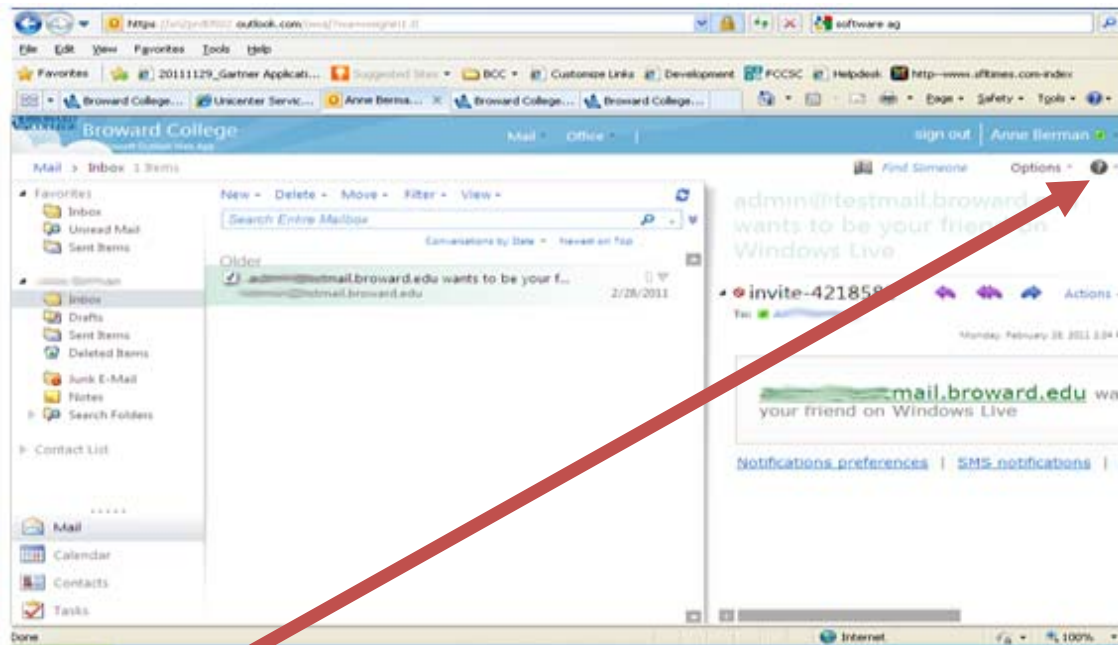

4. Your BC Student E-mail address will appear on the next screen.

To log in to BC's Student E-Mail System

From any web browser, enter the following URL: <http://mail.broward.edu> .
The below-displayed window will appear:

1. Enter your assigned User Name and Password. **User Name:** The user ID is not case-sensitive; for example, MargaretV is the same as margaretv . **Password:** The password is your PIN number for myBC. If you change your PIN number in myBC, it will change for the BC Student E-Mail system as well. If you aren't sure of your PIN number, please bring a photo-ID to any campus Registration Desk.
2. Once you enter in your User Name and your password, click on OK. You will now be logged onto the BCC Student E-Mail System.
