<b>Project Description:</b>  Evaluate the functionality available in Financier to process Direct Student Loans. <b>Benefits and Goals:</b>  Institutions will be able to offer direct federal loans to our students.	
<b>Project Risk:</b> What risks are associated with this project?  If we are not prepared to process Direct loans and the lending industry continues to deteriorate to the point of no lenders available, some of our students may not be able to afford the cost of higher education causing decreasing enrolment at Broward College.
