

## Project Proposal

<b>Project Name:</b> Financial Aid set up for 4 year programs		<b>Submission Date:</b> 7/31/2008
<b>Submitting School:</b> Broward College	<b>System:</b> Financial Aid	<b>Subsystem:</b> All
<b>Project User Sponsor Contact Info:</b> Marcia M. Conliffe	<b>Project Executive Sponsor:</b> Vice President – Student Affairs (Angelia Millender)	<b>Institutional Rank:</b> 9
<b>When do you expect to implement this project?</b> <input type="checkbox"/> Upon Completion <input type="checkbox"/> With the port <input checked="" type="checkbox"/> At a separate time, outside of the port		
<b>Is this a state or federal mandate?</b>  <p>Both, since the college is going to offer 4 year degrees, we need to be able to offer financial aid to these students. Some of the regulations and programs that guide the financial aid available to 4 year institutions are different those that govern 2 year community colleges.</p>		
<b>Project Description:</b> <p>BC needs to have the capability to offer financial aid programs to juniors and seniors. The current system only accommodates the programs and regulations for community Colleges (freshman and sophmores) A complete assessment needs to be done to determine what programs need to be developed or modified to accommodate these students.</p> <p>For example, document posting, packaging, budget calcs, academic status.          Federal SMART grants are an example.</p>		

<b>Project Name:</b> Financial Aid set up for 4 year programs	<b>Submission Date:</b> 7/31/2008
<p><b>Benefits and Goals:</b> How will this project benefit the consortium institutions?          Most of the Community Colleges in Florida are either offering or applying to offer 4 year degrees, all of these colleges will benefit from this project.</p>	
<p><b>Project Risk:</b> What risks are associated with this project?           If we do not have the capability to offer aid to our students pursuing 4 degrees we will be impacting enrolment.</p>	
<p><b>Additional Comments and supporting documents:</b> Please add any additional information or comments which may support your project.           BC Project - 289</p>
