

HOUSING FORM

Students have two different housing options. The first option includes living in shared, furnished apartments at La Casa Don Ignacio, a student residence conveniently located near the central square, Plaza de Armas, which is close to many stores and restaurants (www.casadedonignacio.com). The student residence offers all the amenities a student would need such as 24-hour front desk, medical assistance, airport pick-up upon arrival, wireless internet, computer room, dining room, TV, laundry service and safe deposit box. Students living at Casa Don Ignacio will also enjoy daily breakfast served in the dining room. Decorated in Incan-style furniture and bright colors, the Casa Don Ignacio provides students with a pleasant place to stay during their time in Cusco.

The second choice is the homestay option which allows students to live with a local Peruvian family. Students are usually provided their own room and three meals a day, seven days a week. Often times there is another student living in the house which allows them to work on homework together or share in the expense of taking the 10-15 minute, approximately $1.20 taxi ride to downtown. Students will be picked up from the airport in Cusco by their host families and will be dropped off at the airport upon departure. There is onsite support in Cusco to ensure students are happy and healthy in their accommodations.
