**PROGRAM DESCRIPTION:** Municipal Fire Inspector (MFI) Certification is based upon minimum standards designated by the state, in accordance with NFPA Standard 1031 (Professional Qualifications for Fire Inspector). The MFI program at Broward Community College includes five (3) credit courses, consistent with education requirements established by the Bureau of Fire Standards and Training.

All courses provide (40) contact hours in a condensed time frame, over a four week period. Regular grades and college credits are earned for each course. The program is designed to prepare firefighters for promotion to Fire Inspector or to improve the effectiveness of personnel already performing fire inspections. Students accepted into the program are expected to take the MFI examination given by the State.

**LIST OF COURSES:**

FFP 1505	FIRE PREVENTION THEORY & APPLICATION
