

BROWARD COLLEGE

**FIRE SCIENCE DEPARTMENT
MUNICIPAL FIRE INSPECTOR**

“A” Shift

TERM 20102 20103

PROGRAM DESCRIPTION: Municipal Fire Inspector (MFI) Certification is based upon minimum standards designated by the state, in accordance with NFPA Standard 1031 (Professional Qualifications for Fire Inspector). The MFI program at Broward College includes five (3) credit courses, consistent with education requirements established by the Bureau of Fire Standards and Training.

All courses provide (40) contact hours in a condensed time frame, over a four week period. Regular grades and college credits are earned for each course. The program is designed to prepare firefighters for promotion to Fire Inspector or to improve the effectiveness of personnel already performing fire inspections. Students accepted into the program are expected to take the MFI examination given by the State.

All students must be registered with the State of Florida Fire College and have a State Student I.D. Number for admission to the program. If you do not have a Student I.D. from the state, one may be obtained at the State’s web site: www.floridastatefirecollege.org.
