GENERAL STATEMENT
Upon admission to Broward College (the “College”), students and student organizations agree to act responsibly in all areas of personal and social conduct and to take full responsibility for their individual and collective action. Because learning can only be achieved in an atmosphere free of intimidation and coercion, students must observe local, state, and federal laws as well as the academic and behavioral regulations found in the Broward College Student Handbook, the College Catalog, other official publications of the College, and the College web site at http://www.broward.edu. If there is a conflict with any of the aforementioned sources, this policy shall prevail.

When a student exhibits disruptive behavior that appears to pose a threat to the health and safety of the student or others, the College may direct the student to participate in a psychiatric and/or psychological evaluation. The psychiatric and/or psychological evaluation process will assess the student's ability to safely participate in the educational programs at the College as part of the due process for students who are alleged to have violated this policy and procedure.

Students enrolled in various programs at the College may also be subject to standards of conduct unique to these programs, including but not limited to health sciences programs, Institute for Public Safety, Aviation, etc. Violations of the standards of behavior for these programs shall be considered a breach of this Code of Conduct. Students should refer to the program guidelines included in College Procedure A6Hx2-5.02 to learn more about applicable standards of conduct associated with their academic program.

Bias-Motivated Conduct (Commonly referred to as “Hate Crimes”): The College believes that members of the College community have the right to lawfully affiliate free from harassment with social groups of their choice without fear of intimidation based on this membership. Therefore, the College will impose significantly increased sanctions against perpetrators who commit one or more of the offenses in this Policy, if the College determines that the perpetrators’ actions were motivated by the actual or perceived affiliation of the victim with a particular social group, race, gender, religion, sexual orientation, ethnicity, national origin, disability, age, marital status, and/or gender identity. Additionally, the College will support the criminal prosecution of students who engage in bias-motivated violations of this Code in accordance with Florida Statutes 775.085, Federal Statutes 18 U.S.C. § 245 & 249, and other applicable laws.

THE POLICY AND THE STUDENT
The following is a non-exclusive list of behaviors prohibited by students and student organizations at any College location or via any College resource including electronic communication, at any College-sponsored activity, or at any location and/or via any medium (including electronic) if the behavior impacts students, faculty, or staff in the educational environment. Other behaviors not on this list which adversely impact the College community will be considered on a case-by-case basis and may also be considered violations of the Student Code of Conduct:
