

Policy Manual

Title: Advisory Committees for Technical Programs	Number: 6Hx2-4.17
Legal Authority: <i>Fla. Stat. §1001.64</i>	Page: Page 1 of 1

GENERAL STATEMENT

The President or his/her designee shall appoint technical advisory committees for programs in specific occupations to advise the appropriate instructional staff on the development, operations and evaluation of the program(s) for which they are appointed. Members of such committees should be familiar with the requirements for entry-level employment and career advancement in the occupational fields they represent.

History: *Issued as Policy 4.12 on July 21, 1981; revised December 16, 1986; revised and re-numbered April 16, 1997; revised February 26, 2013*

Approved by the Board of Trustees
