

# ADVISEMENT SCENARIOS

Print this document and complete the advisement scenarios. When you are finished, please hand it to your supervisor/coordinator.

## Scenario #1

Student has **current** CPT & SAT scores. With the following information, develop a full-time schedule of classes.

CPT Sentence Skills (SS) 65                      RSAT Verbal 300

- CPT Reading (RE) 70                      RSAT Math 310
- CPT Elem. Alg. (EA) 25

- Completed Algebra I in high school with a grade of 'B'
- Will be working less than 20 hours a week
- Is a degree-seeking student

### Advisor suggestions and referral to services/programs:

---

---

---

---

Using the scenario #1, change the working hours to 40 hours per week and develop a new recommended schedule of classes:

### Advisor suggestions and referral to services/programs:

---

---

---

---

## Scenario #2

Use the **current** test scores below and develop a recommended schedule of classes for an Engineering major who wants to attend full-time. Include any additional recommendations.

<u>CPT</u>		<u>SAT</u>	
Sentence Skills	81	Verbal	450
Reading	101	Math	500
Elem Alg.	100		
Dept. Math	19		

Student completed Pre-Calculus in high school with a grade of 'A'.

### Advisor suggestions and referral to services/programs:

---

---

---

## Scenario #3

A student is returning to BC after a three-year absence. He has the following transcript. What steps do you recommend for getting started as a full-time degree-seeking student?

# TRANSCRIPT

Fall 1996	Enc 1101	D	Winter 1997	Mat 0024	D
	Rea 0006c	W		Pem 1131	A
	Mat 0024	F			
	SLS 1501	C		CPT (more than 2 yrs. old)	

E – 84

M – 45

R - 68

**Advisor suggestions and referral to services/programs:**

---

---

---

---

Using the above scenario, change the test scores to the following **current** SAT scores and change the major to Pre-Med.

SAT (less than 2 years old)

Verbal 600

Math 675

**Scenario #4**

Develop a two-year educational plan for a student using the criteria listed and the sample educational planning form:

- Primary Objective: Elementary Education
- Effective Term: Current Catalog Year
- Full-time student every semester including summer term
- CPT Test scores

Sentence Skills 65

Reading 76

Elem. Alg. 45

Semester One

Semester Two

Semester Three

Semester Four

Semester Five

Semester Six

Semester Seven

Semester Eight

Semester Nine

**Scenario #5**

This student is bilingual, has lived in the United States less than 2 years and took only one year of regular English in high school. With the following **current** test scores, how would you advise this student?

CPT

Sent. Skills 32

Reading 35

Enc 0021 – ‘D’

Enc 0021 – ‘F’

Rea 0006C – ‘F’

Rea 0006C – ‘D’

SLS 1501 – ‘W’

SLS 1501 – ‘F’

Mat 0012 – ‘W’

**Advisor suggestions and referral to services/programs:**

---

---

---

---

**Scenario #8**

How would you advise a prospective dual enrollment student who presents you with a dual enrollment form from the high school recommending the student take MAT 1033 or any course? The student has the following **current** CPT scores:

English	88
Reading	75
Math	85

**Advisor’s recommendations:**

---

---

---

---

Using the above scenario, how would you advise the student with the following **current** CPT scores?

English	76
---------	----

Reading 90

Math 88

**Advisor's recommendations:**

---

---

---

---

**Scenario #9**

Student tested into REA0006C, ENC1101 and MAT1033.

- a. Part-time student only wants to take one course, ENC1101. How do you advise?
- b. Full-time student does not want to take REA0006C. How do you advise?

**Scenario #10**

Student tested into REA0006C, ENC1101 and MAT0024. He originally took his SAT in May 1999. He has completed his Reading and English and wants to take Math but would like to retest in Math.

Can the student retest?

Does the student have any options? If so, what are they?

**Scenario #11**

The student attended BC one year ago. The student tested into all three prep areas on the following levels: ENC0021, REA0006c, and MAT0024. The student's test scores are 18 months old. The student completed ENC0021 with a 'B' grade and MAT0024 with a 'B' grade.

Is the student required to take REA0006C?

Can the student retest?

If the student has not had SLS1501, is it required?

What are the student's options for satisfying the Reading requirement?

---

**Relax; you've done a great job!**
