General Education Requirements – Associate in Science Degree (AS), meets Area(s): Area

General Education Requirements – Associate in Applied Science Degree (AAS), meets Area(s): Area

UNIT TITLES

Course may vary.

**EVALUATION:**

Please provide a brief description (250 characters maximum) that details how students will be evaluated on the course outcomes.

Common Course Number: FRE1170

**I. Course Overview:**

Upon successful completion of this course, the students should be able to synthesize their experience of living and studying in a French-speaking country with specific knowledge of the country's history and culture gained through participation in program-sponsored field trips and to speak and write French with a fluency appropriate to their expected level of proficiency.

**NOTE:** This program requires participation in an academic program in a French-speaking country.

Common Course Number: FRE1170

Special Student Projects:

1. A fifteen-page report on museum visits, field trips and excursions. Portions of this paper must be written in French. The exact proportion of English to French text depends on the level of French in which the student is enrolled.
2. A five to-ten page reaction paper on impressions of the program and how it has affected the student's life.
3. Completion of a program evaluation at the end of the term. This evaluation will cover instructors, courses, field trips, living quarters, etc. Students will submit this evaluation directly to the BC faculty member responsible for the program.

NOTE: The grade for this course will not be assigned until all FRE1170 course requirements are completed.
