EVALUATION:

Please provide a brief description (250 characters maximum) that details how students will be evaluated on the course outcomes.

Common Course Number: RTV2949

I. Course Overview:

Upon successful completion of this course, the students should be able to demonstrate significant learning which the result of clear-related work experience is.

NOTE: Students are not expected to progress sequentially through Option A, Option B, Option C, and Option D. Rather, they are assigned the option(s) best suited to their work placement. Students may register for RTV2949 a maximum of four times.

II. Special Student Projects:

Option A students are expected to:

1. Develop two learning objectives approved by the job supervisor and campus coordinator.
2. Keep a daily activities journal that identifies the tasks as well as the learning acquired from these tasks.
3. Present thorough research of their major areas of career interest and alternatives within that area.
4. Provide an employer evaluation of work habits and of progress towards meeting the learning objectives (item #1) during the term.
5. Summarize the learning that has been acquired as a result of the co-op experience each term.

Option B students are expected to:

1. Develop two learning objectives approved by the job supervisor and campus coordinator.
2. Keep a daily activities journal that identifies the tasks as well as the learning acquired from these tasks.
3. Present thorough research of their major areas of career interest and alternatives within that area.
4. Provide an employer evaluation of work habits and of progress towards meeting the learning objectives (item #1) during the term.
5. Summarize the learning that has been acquired as a result of the co-op experience each term.

Common Course Number: RTV2949

Option C students are expected to:

1. Develop two learning objectives approved by the job supervisor and campus coordinator.
2. Keep a daily activities journal that identifies the task as well as the learning acquired from these tasks.
3. Provide a written report of two interviews with professionals in their career areas.
4. Provide an employer evaluation of work habits and of progress towards meeting the learning objectives (item#1) during the term.
5. Summarize the learning that has been acquired as a result of the co-op experience each term.

Option D students are expected to:

1. Select a project in consultation with their supervisors and with the approval of their campus co-op coordinator.
2. Develop two learning objectives based on the project.
3. Complete a midterm report that provides both student and employer views of progress toward completing the project.
4. Provide an employer evaluation of student learning accomplishments.
5. Submit the project results in the form of a report or other project.
6. Complete the student's course evaluation.
