Broward College defines critical thinking as a process of evaluating information by questioning and testing assumptions, accepting and rejecting arguments and/or perspectives, and applying reasoning to make informed decisions.

Critical Thinking Faculty Focus Survey

Survey Tidbit—Top Three Teaching & Learning Strategies Incorporated by Faculty:
1. Reflection
2. Cooperative learning
3. Case-based scenarios

QEP Mentors Facilitate Workshops
Professional Development Day will be the first time QEP mentors collaborate to co-facilitate workshops since the QEP was approved without any recommendations by SACS-COC. Sessions will engage both faculty and staff. This is an excellent opportunity to learn more about the QEP and to participate in engaging and enlightening activities. QEP mentors are ready for you to *Question Every Possibility*—Think Critically.

QEP Implementation Committee
The QEP Implementation Committee continues to work in the background to help the College implement its first QEP. Currently, the committee is developing strategies to engage Student Affairs professionals more intentionally in the QEP process; evaluating professional development opportunities to offer in the future; planning to recruit new faculty mentors and mentees; and serving as a “think tank” to ensure QEP success. Committee members are: Monique Blake, Jorge Borda, Adrian Carter, Nandan Choksi, Erin Burns Davies, Peter D’ettore, Marie Dugan, Nicole Graham, Amy Hyman Gregory, Donna Henderson, Rick Leffel, David Moore, Erick Perez, Matt Rocco, Barbara June Rodriguez, Mary Rousseau, Elena Rae Schultz, Pat Senior, David Shulman, Suzette Spencer, and Yinka Tella. The committee meets every second Thursday of the month.

Anyone interested in serving as a mentor, mentee, or committee member, email qep@broward.edu.

"The important thing is not to stop questioning." — Albert Einstein

Workshop Titles
• Got Thinking?
• Demystifying the QEP
• Meet E.T.
• Critical Thinking in the Classroom

QEP Mentees Molding Minds

Professor Renee Hosang-Alleyne
Professor Laura Rambarose

Professor Hosang-Alleyne and Professor Rambarose are dynamic adjunct faculty, serving as QEP mentees. They will be facilitating a session titled, “Cultivating Critical Thinking across the College,” at the 25th annual Teaching Academic Survival and Success (TASS) Conference in March. The workshop focuses on practical ideas and strategies used at Broward College to cultivate students’ critical thinking skills with the goal of student success and completion.
