Celebrate the holiday season with us as we explore the holiday traditions of cultures from around the world. Discover the significance of the lighting of the Menorah. Hear about the origins of popular holiday traditions like Santa Claus, Yule Logs and Christmas trees. Look for possible astronomical explanations of the first Christmas star - the Star of Bethlehem. This delightful program is appropriate for the entire family and is complemented by a tour of the brilliant constellations of winter.

DECEMBER 18  7:00 p.m.  $7.00
