NOTE: A grade of "C" or higher in the courses must be achieved to satisfy this requirement.

AREA 6- PROGRAMMATIC ELECTIVES (24 credits)

These may include any combination of college-level courses recommended/required for a discipline major and/or courses from the General Education offerings in Communications, Humanities, Mathematics, Natural Sciences, & Social and Behavioral Sciences. Excluded are college preparatory courses and courses designed especially for technical education curricula. When choosing electives, students should give careful attention to their major field of study and to the requirements of the institution to which they plan to transfer. Certain technical/occupational courses can be used to satisfy this area requirement. Please consult with an Academic Advisor.

AREA 7-WRITING REQUIREMENT

In keeping with the Gordon Rule, all students must take one course from Area 1A and one course from Area 1B, which satisfies one component of the requirement. The remaining component can be satisfied by taking two (2) other courses designated as writing courses in the term schedule. In each of these courses, a variety of assignments relevant to the content of the course may be made. Students must achieve a grade of "C" or higher in the courses to satisfy the writing requirement.

Students must be eligible for ENC1101 to enroll in designated writing credit courses. Some students who were enrolled in an accredited college or university prior to January 1, 1983, may be exempt from the Writing Requirement. Please see an Academic Advisor for assistance.

AREA 8-INTERNATIONAL/INTERCULTURAL (3 credits)

NOTE: Of the 36-credit General Education requirements, three credits must be earned in an approved International / Intercultural course. Only the following approved courses from the General Education offerings may be used to satisfy the requirement.
