Connect a Student/Staff laptop to “BC Public” wireless

Network & Telecom Services
1. Open your wireless connection properties and click on “View Wireless Networks”.

2. Click “BC Public”.
3. After choosing the “BC Public” SSID and opening a web page, you will need to enter in your Broward College email address to login.
   Format=XXXXXX@mail.broward.edu

4. As an employee you may enter your username and password.
Windows 7 connection

On Windows 7, and most of Windows versions, the wireless bar is located at the right hand side of the system bar, close to the system clock:

1. Click on the wireless bar, the currently available wireless window comes up, Choose “BC Public” and click Connect.
2. Open a web page and you will be directed back to a splash page/captive portal below. You must enter your Employee username and password or a BC Student email address. Afterwards you will be directed back to your home page.

**Broward College Internet Usage Notice**

This is a Broward College computer system, which may be accessed and used only for official business by authorized personnel. Unauthorized access or use of this computer system may subject violators to criminal, civil, and/or administrative action.

All information on this computer system may be intercepted, recorded, read, copied, and disclosed by and to authorized personnel for official purposes, including criminal investigations. Access or use of this computer system by any person, whether authorized or unauthorized, constitutes consent to these terms.

This organization reserves the right to have any data on the system monitored, recorded, or disclosed at its complete discretion. Users consent to these terms and may not claim any right to privacy on the system.

Logging in as a student indicates you have read and accepted the **Acceptable Use Policy**.
