

ENGLISH FOR ACADEMIC PURPOSES (EAP)

Students take any of the EAP Listening/Speaking classes to improve their ability to use and understand commonly used American English words, to respond to American English expressions, to speak and listen in a college level classroom, and to apply phrasing, intonation, and pronunciation in American English.

These courses are offered in four levels: 0100C, 0200C, 0300C, and 0400C.

Students fulfill their 13 hour minimum lab requirement.

Tutors and Lab Assistants instruct students on the use of Lab resources and assess workbook exercises.

Tutoring is available upon request:- no appointment needed.
