

## MODERN FOREIGN LANGUAGE (MFL)

Students taking a language class other than English use the Language lab to fulfill the lab component of the class as well as receive additional assistance mastering the new language. This includes American Sign Language (ASL).

### Spanish Classes

Our certified tutors and assistants are native Spanish speakers who assist students learning Spanish as a foreign language with pronunciation, grammar, and writing.

The tutors are available during lab hours on a first come, first served basis.

Resources available:

- Lab created chapter, midterm, and final reviews
- Verb charts and reviews
- Grammar handouts
- Films

### French Classes
