

HEALTH SCIENCE PROGRAMS - ADMISSIONS CRITERIA

JANUARY 2021, MAY 2021, AND AUGUST 2021

All Applicants must complete a Broward College application prior to submitting the supplemental Limited Access Application for the Health Sciences. All required paperwork must be received by BC by the close of the published application period.

- For questions regarding admission, send an email to the Health Science Admissions Office at healthscience@broward.edu
 - Health Science Admissions Offices are located on:
 - North Campus (building 46, inside Financial Aid)
 - Central Campus (building 8, rooms 108 and 130)

Due to COVID-19, the college is working remotely and not available on campus. Please monitor www.broward.edu/coronavirus for any updates.

- The completed supplemental limited access application signed by an academic advisor can be emailed to healthscience@broward.edu

IMPORTANT NOTE: Students who are applying to Broward College and have transfer credits are advised to have all documentation to the college 7 business days prior to the close of the published application period for the program you are applying to. This will help ensure you will be considered for the upcoming term for that program.

This does not apply to programs that are first come first serve (EMT). For those programs it is recommended you complete your BC application prior to the opening of the application period for the program you are applying to. By doing this, you will be able to apply to the program as soon as it opens.

- Required admissions criteria courses shown in the application criteria **MAY NOT** be covered by Financial Aid
- Admissions decisions are made within 30 business days from the close of the noted application period.

Decisions are sent to the applicant's Broward College email address.

- **Students who are offered admission into a Health Science Program are required to complete criminal background checks, drug screening and a complete physical prior to enrollment. Please see last page of this document for more information.**

A COMPLETE, SUPPLEMENTAL, LIMITED ACCESS APPLICATION MUST BE SUBMITTED FOR CONSIDERATION INTO ANY HEALTH SCIENCE PROGRAM
Application is available on the Health Science Admissions homepage <http://www.broward.edu/admissions/Pages/Health-Sciences-Admissions.aspx>

Criminal Background Check, Drug Screening, and Physical Examination Requirements (completed after acceptance)

Criminal Background Check and Drug Screening

Students selected for admission to a Health Science program are subject to a criminal background check and drug screening prior to the start of the program. Participation and placement may be denied at a clinical agency based on the background or drug screening results and/or the clinical agency's pre-employment screening policy.

Prior to admission, each student is required to successfully complete a drug screening. Please be advised that certain over-the-counter supplements and alternative medicinal products, including but not limited to CBD, THC, Cannabinoid, and Cannabinoid Oil may trigger a positive result, and consequently, the student will be ineligible for the Health Science program. A second drug tested sample is not allowed per Broward College Admissions Procedure A6Hx2-5.01. The links are provided below.

Policy: <http://www.broward.edu/legal/policies/Section%20Template/6Hx2-5.01.pdf>

Procedure: <http://www.broward.edu/legal/policies/Section%20Template/A6Hx2-5.01.pdf>

An unsatisfactory Level II FBI background check and/or drug screen may delay the admission process and lead to possible ineligibility for admission into a Health Science program.

Information regarding where to complete the background checks and drug screenings will be provided upon acceptance into a Health Science Program.

Health Examination

A Medical History and Physical Health Form must be completed at the time specified by the program. Final acceptance or continuation in a program will be contingent upon the results of the physical examination submitted prior to attending the first clinical rotation and then repeated in the second year of the program. A student may not enroll in a clinical course unless the Health Form has been submitted and then reviewed by the program for completion of all listed requirements
