

Post-Secondary Adult Vocational Certificate in Medical Assisting - 5215

Career Pathway: [Health Sciences](#)

Location(s): [General Education courses are offered at all BC locations. Program specific courses are only available at A. Hugh Adams Central Campus.](#)

Program Description: The Medical Assisting Program is a 10-month vocational certificate program. The Broward College Medical Assisting Certificate Program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of Medical Assisting Education Review Board (MAERB). The role of the Medical Assistant within the physician's office is varied, demanding, and complex. Duties and responsibilities may encompass those skills of administrator, clinician, or technician. In many instances, the Medical Assistant functions in all three areas while also serving as a public relations specialist. Visit the program's [website](#) for additional information.

Program Entrance Requirements: This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. Please click [here](#) for more information.

Additional Program Information: One cohort of 20 students is admitted each August. A final grade of "C" or higher must be achieved in each Medical Assisting course for continuance in the Program. To successfully progress through the Medical Assisting Program, students must achieve a grade of "C" or above in all didactic courses, an "S" (satisfactory) grade in all clinical and laboratory courses, maintain an overall degree GPA of at least 2.0. Students must also obtain TABE Assessment scores at or above the state mandated grade level. Students must have at least the first attempt of the TABE test completed by the end of term one.

A student who withdraws or is withdrawn from a Medical Assisting course shall refer to College Policy 6Hx2-5.33 and Procedure A6Hx2-5.33 on re-entry into a Health Sciences Program and/or program guidelines. Reentry to a Program will be based upon space availability. Only one reentry will be allowed. Students who receive a grade of "D" or "F" in any course after reentry will result in permanent dismissal from the BC Medical Assisting.
