

Associate of Science in Dental Assisting - 2215

Career Pathway: [Health Sciences](#)

Location(s): [General education courses are available at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus](#)

Program Entrance Requirements: Students must have graduated from the Dental Assisting Applied Technical Diploma (ATD).

Program Description: The Dental Assisting program is a degree completion option for students who have completed the Dental Assisting Applied Technical Diploma (ATD). Visit program's [website](#) for additional information.

Additional Program Information: Students must complete all required coursework with a grade of "C" or higher and earn a minimum degree grade point average of 2. The transfer of 44 dental assisting ATD credits is guaranteed for 3 years following the ATD award date, and there is no expiration for the 6 credits of general education coursework.

		DES1807L	Clinical Procedures II Lab	3		
		Total Program Credit Hours				70

Notes: Many courses have specific pre-requisite and co-requisite requirements that must be followed. Students are encouraged to consult the Course Information Table for a detailed list of all requisite requirements.

* Students are eligible to be awarded the 44 programmatic specific credits if they completed the Dental Assisting ATD within the last three years. The additional 6 general education credits from the ATD are also awarded to students but there is no expiration for these credits, unlike the programmatic specific courses.

Students are strongly encouraged to meet with an [advisor](#) to create an educational plan.
