

Associate of Science in (Hospital-Based) Radiography - 21311

Career Pathway: [Health Sciences](#)

Location(s): [General Education Courses are offered at all BC locations.](#)

Program Entrance Requirements: This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. Please click [here](#) for more information.

Program Description: The Associate of Science in Radiography program is a limited access program. This program provides a means for those currently enrolled in an accredited hospital-based program to obtain an Associate in Science Degree in Radiography. This program is also open to graduates of such programs, who hold a national certification by the ARRT (American Registry of Radiologic Technologist) and a valid state license. Radiographers manipulate x-ray equipment and provide patient care to produce images of the tissues, organs, bones, and vessels of the body. Radiographers work closely with radiologists, who are the physicians responsible for interpreting medical images. Visit the program's [website](#) for additional information.

Additional Program Information: Students must complete a minimum of 20 general education and core credit hours at Broward College to satisfy residency requirements.

To apply for experiential learning credit, students must provide an official transcript indicating graduation/completion date from a hospital-based Radiography program, or valid ARRT certification. In order to successfully progress through the Radiography Program, students must achieve all cognitive, affective, and psychomotor objectives. This requires a grade of "C" or above to be earned in all didactic courses and an "S" (satisfactory) grade in all clinical/laboratory courses. This is in addition to maintaining an overall degree GPA of at least 2.0.

Recommended Course Sequence

Full Time	Part Time	Course ID	Description	Credits
Term 1	Term 1	ENC1101	Composition I	3
		GE Course	General Education Mathematics	3
	Term 2	BSC2085	Anatomy & Physiology I	3
		BSC2085L	Anatomy & Physiology Lab I	1
Term 2	Term 2	GE Course	General Education Social/Behavioral Science	3
		BSC2086	Anatomy & Physiology II	3
	Term 3	BSC2086L	Anatomy & Physiology Lab II	1
		SPC1024 or SPC1608	Introduction to Speech Communications or Introduction to Public Speaking	3
Experiential Learning Credit		RTE1503	Radiographic Procedures I	3
		RTE1503L	Radiographic Procedures I Lab	1
		RTE1000	Introduction to Radiologic Technology	3
		RTE1111	Patient Care, Law, & Ethics	3
		RTE1111L	PT CARE – LAB	1
		RTE1804	Clinical Education I	2
		RTE1513	Radiographic Procedures II	3
		RTE1513L	Radiographic Procedures II Lab	1
		RTE1418	Imaging I	3
		RTE1418L	Imaging I Lab	1
		RTE1814	Clinical Education II	2
		RTE1523	Radiographic Procedures III	3
		RTE1523L	Radiographic Procedures III Lab	1
		RTE1824	Clinical Education III	2
		RTE2457	Imaging II	3
		RTE2457L	Imaging II Lab	1
		RTE2385	Radiation Biology & Protection	3
		RTE2834	Clinical Education IV	3
		RTE2116	Patient Care II	3
		RTE2116L	Patience Care Lab II	1
		RTE2563	Adv. Imaging Proc, Modalities & Pathology	3
		RTE1763	Comp'd Tomography & Cross-Sec Anatomy	3
		RTE2844	Clinical Education V	3
		GE Course	General Education Humanities	3
		RTE2061	Radiography Seminar	1
		RTE2854	Clinical Education VI	1
Total Program Credit Hours				77

Notes: Many courses have specific pre-requisite and co-requisite requirements that must be followed. Students are encouraged to consult the Course Information Table for a detailed list of all requisite requirements.

*Students may be eligible for experiential learning credit if they provide a copy of their graduation/completion date from a hospital-based Radiography program, or valid ARRT certification. After the documentation has been reviewed and approved, students will be awarded the 48 credits toward the program.

Students are strongly encouraged to meet with an [advisor](#) to create an educational plan.
