

Teacher Education Transfer Plan – Associate of Arts 1010

Career Pathway: [Education](#)

Location(s): [Courses for this transfer plan are offered at all BC locations.](#)

Program Entrance Requirements: HS Diploma or GED

Program Description: The Associate of Arts (A.A.) degree is designed for the student who plans to transition to Broward College's Teacher Education program (2+2) or transfer to a Florida public university as a junior to complete a Bachelor's degree in Education. A student who earns an A.A. degree from Broward College meets the lower division general education requirements of a Florida state university, but does not automatically meet the requirements for a particular major.

Students must successfully meet the foreign language requirement as prescribed in the college catalog. One science lab course is required, the student may choose to take either the Physical or Biological Science lab. * Electives recommended for Teacher Education majors. ** SLS1501 is strongly recommended for all students. The course may not be eligible for financial aid. Students must take ENC1101, ENC1102, and two additional writing credit courses (6 credits) to graduate. Students must take 3 credits of International/Intercultural coursework to graduate.

Students seeking a Bachelor's degree in Teacher Education are required to pass the General Knowledge Exam (GKE). Please contact an Education Pathway advisor for more information on GKE resources available at BC. Students should register for the exam upon completion of their required Mathematics and English courses.

Classes are subject to change based on the transfer university.

Please check with you [Academic Advisor](#) and/or University website to ensure you are enrolled in the correct classes.
