

Associate of Science in Medical Assisting- 2511

Career Pathway: [Health Sciences](#)

Location(s): [General Education Courses are offered at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus.](#)

Program Entrance Requirements: Students must have completed the Medical Assisting Specialist Technical Certificate (6353) prior to admittance to the Associate of Science Medical Assisting degree. Students are required to complete a supplemental application and meet specific criteria. There are a limited number of students admitted to the program each year. Please click [here](#) for more information.

Program Description: The Associate of Science in Medical Assisting program is a two year degree program. The Broward College Medical Assisting Technical Certificate program is accredited by the Commission on Accreditation of Allied Health education Programs (www.caahep.org) upon the recommendation of Medical Assisting Education Review Board (MAERB). The role of the Medical Assistant within the physician's office is varied, demanding, and complex. Duties and responsibilities may encompass those skills of administrator, clinician, or technician. In many instances, the Medical Assistant functions in all three areas while also serving as a public relations specialist. Visit the program's [website](#) for additional information.

Additional Program Information: One cohort of 30 students is admitted each August. A final grade of "C" or higher must be achieved in each Medical Assisting course for continuance in the Program. To successfully progress through the Medical Assisting Program students must achieve a grade of "C" or above in all didactic courses, and "S" (satisfactory) grade in all clinical and laboratory courses, maintain an overall degree GPA of at least 2.0.

Students are placed into practicums in physicians' offices throughout Broward County which offer maximum flexibility. The practicum course has been especially designed to meet the individual needs of the student thus allowing for the development of specific skills within a chosen interest or specialty area.

Upon completion of this twelve (12) month program the student will be eligible to register for the national certification exam of the American Association of Medical Assistants to obtain the credential of Certified Medical Assistant (CMA-AAMA) or the exam of the National Healthcareer Association to obtain the CCMA-NHA.

A student who withdraws or is withdrawn from a Medical Assisting course shall refer to College Policy 6Hx2-5.33 and Procedure A6Hx2-5.33 on reentry into a Health Sciences Program and/or program guidelines. Reentry to a Program will be based upon space availability. Only one reentry will be allowed. Students who receive a grade of "D" or "F" in any course after reentry will result in permanent dismissal from the BC Medical Assisting program.
