

## Dietetics and Nutrition Transfer Major – Associate of Arts – 1010

**Career Pathway:** [Health Sciences](#)

**Location(s):** [Courses for this transfer plan are offered at all BC locations.](#)

**Program Description:** The Associate of Arts (A.A.) degree is designed for the student who plans to transfer to a Florida public university as a junior to complete a Bachelor's degree. A student who earns an A.A. degree from Broward College meets the lower division general education requirements of a Florida state university, but does not automatically meet the requirements for a particular major.

- <sup>1</sup>Students must successfully meet the foreign language requirement as prescribed in the college's policies and procedures 6Hx2-4.22.
- <sup>2</sup>Initial math placement is based on testing. Students may need to take MAT1033 depending on their placement scores.
- One science lab course is required. The student may choose to take either the Physical or Biological Science lab.
- Florida International University requires GIS1040C or GIS1042C.
- Students must take 3 credits of International/Intercultural coursework to graduate.
- This is only a **recommended** course sequence. Classes are subject to change based on the transfer University. Please check with your [Academic Advisor](#) and/or University website to ensure you are enrolled in the correct classes.
