Notes:

**The State of Florida sets forth requirements for BAS students to:

- 1) Satisfy General Education credits to earn a baccalaureate degree. The amount and area will vary. Please see your advisor.
- 2) Meet the foreign language requirement.
- 3) Complete two college level math courses.

General Education Math: STA 2023 or MAC 1105/1105C are recommended as the second math course to satisfy the General Education Math requirement (Student will have completed one college level math course as part of their AS degree). MAC 1105C is a 5-credit course. Students who register for this course must see an advisor to discuss their academic plan. If student has completed both MGF 1106 and MGF 1107, QMB 2100 must be taken.

^ If this course has already been taken as part of an Associate Degree program, student must substitute an upper level (3000, 4000) business course. Approved upper level business electives include any 3000 or 4000 level business courses outside of the core and specialization requirements with prefixes: ACG, ECO, GEB, FIN, MAN, MAR, QMB.

¥ If the student has not fulfilled the General Education Social/Behavioral Science requirement, ECO 2013 is recommended. If the student has already fulfilled the General Education Social/Behavioral Science requirement, student must substitute an upper level (3000, 4000) business course.

* Pre-requisite courses are required.
