

Associate of Science in Nursing - 21271 (LPN-RN Transition)

Career Pathway: Health Sciences

Location(s): <u>General education courses are offered at all BC locations</u>. Program specific courses are available at A. Hugh Adams <u>Central Campus</u>, the Judson A. Samuels South Campus and the North Campus. This Program begins each May and the location is rotated to each campus. All courses are taken on the designated campus. Any requests for transfer of campus must be approved by the Associate Dean.

Program Entrance Requirements: This is a limited access program. Students are required to complete a supplemental application and meet specific criteria. Admission into the LPN-RN Transition option begins each May and the location is rotated each May to each campus. Students applying for the LPN-RN Transition Option must hold a current Florida LPN License without restrictions, complaints and/or obligations from a Florida based program. After acceptance into the Nursing Program, students are required to complete a Medical History and Physical Examination. Acceptance is provisional based upon the approved health evaluation documents. Students are also required to provide a satisfactory criminal background check and HHS/OIG clearance and drug screening. Students must be able to meet the Performance Standards for the Nursing Program to insure the safety of both the student and the patient(s) under their care. Students must be able to meet Performance Standards to enter and remain in the program. Please click here for admission information.

Program Description: The Associate of Science Degree in Nursing is designed to prepare the student for a career as a registered nurse. The mission of the Broward College Program of Nursing is to prepare competent, caring, culturally sensitive, entry level nursing graduates for meaningful employment as professional registered nurses. Striving for academic excellence, the faculty provides an innovative program, recognizing both the art and the science of nursing while utilizing the Outcomes and Competencies outlines by the National League for Nursing. This framework includes advocating for clients, utilizing evidence-based practice in clinical decision making, implementing nursing care that is focused on ethical, responsible, and honest behaviors, and evaluating all care rendered, while challenging the status quo in an informed manner to bring about change where needed to enhance the care of the client. The program is committed to accomplishing this mission through the use of effective and diverse instructional methods that encompass both traditional as well as technology-based strategies. Visit program's website for additional information. The Nursing Program is approved by the Florida Board of Nursing, accredited by the Accreditation Commission for Education in Nursing (ACEN). The Florida Board of Nursing mailing address is 4052 Bald Cypress Way, Tallahassee, Florida 32399-3257. www.doh.state.fl.us. ACEN is located at 3343 Peachtree Road, NE, Suite 500, Atlanta, Georgia, 30326. www.acenursing.org. The student who has met all educational and institutional requirements for an Associate of Science Degree in Nursing from Broward College is eligible to have his/her name submitted to the Florida Board of Nursing to be considered as a candidate for the National Council Licensure Examination for the Registered Nurse (NCLEX-RN). The Florida Board of Nursing is the state agency authorized to determine if the applicant qualifies to take the National Council Licensure Examination (NCLEX-RN) for licensure as a Registered Nurse in Florida. For licensure requirements, refer to sections 464.008 and 464.009, Florida Statutes (F. S.), Rules 64B9-3.002 and 3.008, Florida Administrative Code (F.A.C.)

Additional Program Information: The Nursing Program offers two program options for the Associate in Science Degree in Nursing: The Generic Option and the LPN-RN Transition Option. Both program options are offered in the traditional classroom setting. The LPN-RN Transition Option is for students who already hold a current Florida Practical Nursing License without restrictions. The LPN-RN Transition program recognizes the Florida Licensed Practical Nurses' knowledge and skill level, and provides experiential learning credits for Nursing Process I/II (Fundamentals of Nursing). After admission, students are required to complete certificate courses; CAE0216 (HIV/AIDS), CAE0660 (TB/OSHA/Hepatitis), CAE0062 (CPR Basic Life Support American Heart Association approved), CAE0441 (Domestic Violence), CAE0528 (Prevention of Medical Errors), and CAE0644 (Florida Laws & Rules for Nursing and Respiratory Care). All Certificates are to have Florida Board of Nursing (FBN) approval shown by FBN number. The due dates for the forms/certificates are given in the mandatory, general orientation meeting that is discussed in the acceptance letter provided to students.

Recommended Course Sequence

Note: Many courses have specific pre-requisite and co-requisite requirements that must be followed. ^ Part-time Students may apply after completing "Term 3." *Course meets writing requirement. MAC1105C is a 5 credit course. Students who register for this course must see an advisor to discuss their academic plan. <u>MCB2010 has a required prerequisite of CHM1032 and co-requisite MCB2010L</u>. <u>MCB2010L</u>, <u>and CHM1032</u> <u>are not included in the overall program credit hours and therefore students may not be eligible for Federal Financial Aid for these specific co/pre-requisite courses</u>. ***LPN-RN Transition students will be eligible for up to 10 Nursing Course Credits for experiential learning. The experiential learning credits are awarded in the final nursing course. Students must contact the Nursing department for more information. #Other General Education courses may be allowable as these are recommended courses, speak with your advisor for more information.

Students are strongly encouraged to meet with an <u>advisor</u> to create an educational plan.

Program Highlights

Credit for Prior Learning: Accelerate your path to completion with these options:

- Credit by exam
- Industry Certifications

- Prior Learning Assessment
- And much more...

Related Industry Certifications: Upon completing this program, graduates will be eligible to have their name submitted to the Florida Board of Nursing to be considered as a candidate for the National Council Licensure Examination for the Registered Nurse (NCLEX-RN).

Externship Experiences: The nursing program combines studies in general education and nursing education at the college with selected clinical experiences in hospitals and other community facilities. The program consists of 72 credits. There are 56 hours of clinical practicum for each credit and 16 hours of theory for each credit. Generic students attend 1008 hours of clinical. LPN-RN Transition students attend 728 hours of clinical.

Clinical hours are a combination of nursing experiences in acute care settings and high fidelity patient simulation experiences. Students are also provided the opportunity to develop their nursing knowledge and skills in the nursing skills lab to prepare them for nursing practice. All clinical hours are mandatory and it is expected that students will have made arrangements to meet the total required hours. Also, explore hundreds of career videos and career profiles through Virtual Job Shadow.
