Program Description: The Physical Therapist Assistant Associate of Science program is a limited access program which is delivered to students at Broward College (BC) North Campus. The program provides the student with the opportunity to develop technical skills relative to physical therapy through planned clinical, classroom, and laboratory experiences. The graduate will be prepared to provide a variety of services under the direction and guidance of a supervising physical therapist. Visit program's [website](#) for additional information. The clinical education component of the program is managed by the Academic Coordinator of Clinical Education.

Additional Program Information: The program is a full-time day program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE). A licensing examination is required upon completion of the two-year program and the Physical Therapist Assistant shall be eligible for an appropriate membership category in the American Physical Therapy Association.

In order to successfully progress through the Physical Therapist Assistant program, students must meet all affective, cognitive, and psychomotor objectives, achieve a grade of "C" or above in all program courses, a grade of "S" in all clinical practicums, and maintain a minimum GPA of 2.0 or higher.
