**Notes:** \*Students are required to meet the college's Computer Competency Requirement. This requirement can be met by passing the Computer Competency test. However, if a student is unable to pass the test, they will be required to take CGS1060C. The student's eligible for Federal Financial Aid for the CGS1060C course may be limited.

\*\*These credits are awarded based on an established Articulation Agreement. The credits are awarded when the student has provided documentation of successful completion of one of the specific identified program at a partnering Technical College or Florida Department of Education Apprenticeship.

- Many courses have specific pre-requisite and co-requisite requirements that must be followed. Students are encouraged to consult the Course Information Table for a detailed list of all requisite requirements. **Mac1105C** is a 5 credit Course. Students who register for this course must see an advisor to discuss their academic plan.

**This is only a recommended course sequence. Students are strongly encouraged to meet with an [advisor](#) to create a personalized educational plan.**
