

Corrections Officer Academy Basic Recruit Training- 5270

Career Pathway: [Public Safety](#)

Location(s): Program specific courses for this program are offered at the A. Hugh Adams Central Campus.

Program Entrance Requirements: All candidates entering the program must have proof of a standard high school diploma or GED. Candidates are required to complete the pre-program testing through Broward College Institute of Public Safety Regional Selection Center. The candidate must complete and achieve passing scores on the Basic Abilities Test for Corrections (BAT), and pass a physical fitness ability test (Basic Motor Skills). Some agencies will also require a Test of Adult Basic Ability (TABE). All test registrations must be completed [online](#). Seating is limited to 40 students per academy program.

Program Description: The Corrections Academy Basic Training Program is a limited access program. The Institute is certified by the Florida Criminal Justice Standards and Training Commission to provide basic and advanced training. The Corrections Basic Recruit Training prepares students as entry-level corrections officers/deputies in the State of Florida. Practical skills and simulated activities complement the classroom instruction. This minimum standards program is regulated by Florida statutes and is a highly structured and disciplined program. Upon successful completion of the Basic Training Program, a student is eligible to take the Florida Department of Law Enforcement, Corrections State Officer Certification exam. Upon achieving a passing score on the exam, the student, if not already hired, will be eligible to seek employment with a state corrections or local jail facility. For additional information on agency requirements for hire, students should refer to the standards as prescribed by Florida State Statute 943.17 and should contact the hiring agency.

Additional Program Information: Students completing their corrections academy training who do not already have a degree are strongly encouraged to continue their education by completing the A.S. degree in Criminal Justice. Students completing the Corrections Officer program are eligible to receive 6 college credits towards the A.S. degree in Criminal Justice.
