

## Associate of Arts 1010 – Accounting Transfer Plan

**Career Pathway:** [Business](#)

**Location(s):** [Courses for this program are offered at all BC locations.](#)

**Program Entrance Requirements:** HS Diploma or GED

**Program Description:** The Associate of Arts (A.A.) degree is designed for the student who plans to transfer to a Florida public university as a junior to complete a Bachelor's degree. A student who earns an A.A. degree from Broward College meets the lower division general education requirements of a Florida state university, but does not automatically meet the requirements for a particular major.

## Notes:

- Students must successfully meet the foreign language requirement as prescribed in the college catalog.
- Students in the Associate of Arts degree program may be eligible to earn technical certificates during their course of study.
- Students must take ENC1101, ENC1102, and two additional writing credit courses (6 credits) to meet the College writing requirement.
- Students must take 3 credits of **International/Intercultural** coursework to earn the AA.
- The Digital Literacy requirement must be met by either taking CGS1060C or testing out. To test out please contact the Testing Center by e-mailing [testingservices@broward.edu](mailto:testingservices@broward.edu).
- For students who plan to pursue a Business-related transfer major, it is recommended that students choose a Business Elective as their approved elective. FIN2100 is strongly recommended. Students may choose from any ACG\*, BUL\*, BRC\*, CGS\*, ECO\*, FIN\*, GEB\*, MAN\*, MAR\*, MKA\*, MNA\*, OST\*, QMB\*, REE\*, RMI\*, TAX\* prefix course. **It is recommended that you see an advisor to confirm your choice.**
- \*Students who plan to take **STA2023** must usually take the **prerequisite, MGF 1106**, as a “Business Elective”, prior to taking STA2023. However, MAC1105 may also satisfy the pre-requisite requirement for STA2023 so it is strongly recommended that MAC1105 is the first Math course taken, as shown on the program map.
- Students who plan to take **MAC1105** may instead be advised to take MAC1105C, which is a 5-credit course. Students who take \*MAC1105C must take an approved **Business Elective** course to satisfy the 1-credit remaining to be taken to earn the 60 required program credits. **It is recommended that you see an advisor to confirm your Math choice.**
- Some transfer institutions may require students who transfer to have taken a Science Lab. It is recommended that you speak to an advisor to confirm.
- First-time-in-college students must demonstrate competency in civic literacy either through passing POS2041/ AMH2020 or CLEP/AP.

**This is only a recommended course sequence. Students are strongly encouraged to meet with an [advisor](#) to create a personalized educational plan specific to the transfer University**
