

Associate of Arts - 1010 Business Administration Transfer Plan

Career Pathway: [Business](#)

Location(s): [Courses for this program are offered at all BC locations.](#)

Program Entrance Requirements: HS Diploma or GED

Program Description: The Associate of Arts (A.A.) degree is designed for the student who plans to transfer to a Florida public university as a junior to complete a Bachelor's degree. A student who earns an A.A. degree from Broward College meets the lower division general education requirements of a Florida state university, but does not automatically meet the requirements for a particular major.

Build Your Education

Full Time	Part Time	Course ID	Description	Credits	TC1	TC2

Term 6	Term 10	POS2041 OR AMH2020	National Government OR US History	3		
		GE Course	General Education Humanities	3		
		Total Credits			60	12

Notes:

- Students must successfully meet the foreign language requirement as prescribed in the college catalog.
- Students in the Associate of Arts degree program may be eligible to earn technical certificates during their course of study.
- Students must take ENC1101, ENC1102, and two additional writing credit courses (6 credits) to meet the College writing requirement.
- Students must take 3 credits of **International/Intercultural** coursework to earn the AA.
- The Digital Literacy requirement must be met by either taking CGS1060C or testing out. To test out please contact the Testing Center by e-mailing testingservices@broward.edu.
- For students who plan to pursue a Business-related transfer major, it is recommended that students choose a Business Elective as their approved elective. FIN2100 is strongly recommended. Students may choose from any ACG*, BUL*, BRC*, CGS*, ECO*, FIN*, GEB*, MAN*, MAR*, MKA*, MNA*, OST*, QMB*, REE*, RMI*, TAX* prefix course. **It is recommended that you see an advisor to confirm your choice.**
- *Students who plan to take **STA2023** must usually take the **prerequisite MGF1106** as a “Business Elective”, prior to taking STA2023. However, MAC1105 may also satisfy the pre-requisite requirement for STA2023, so it is strongly recommended that MAC1105 is the first Math course taken, as shown on the program map.
- Students who plan to take **MAC1105** may instead be advised to take MAC1105C, which is a 5-credit course. Students who take *MAC1105C must take an approved **Business Elective** course to satisfy the 1-credit remaining to be taken to earn the 60 required program credits. **It is recommended that you see an advisor to confirm your Math choice.**
- **Some transfer institutions may require students who transfer to have taken a **Science Lab**. It is recommended that you speak to an advisor to confirm.
- First-time-in-college students must demonstrate competency in civic literacy either through passing POS2041/ AMH2020 or CLEP/AP.

This is only a **recommended** course sequence. Students are strongly encouraged to meet with an [advisor](#) to create a personalized educational plan specific to the transfer University
