Bachelor of Science Education Degree Program
Exceptional Student Education Program – S100

CAREER PATHWAY: EDUCATION

Location(s): Courses for this program are offered at all Broward College locations. Please consult the course schedule for specific semester locations.

Program Description: The Bachelor of Science in Education for Exceptional Student Education is designed to qualify its graduates to teach ESE placements in Grades K-12. Admission to Broward College does not constitute admission to the Teacher Education Program; a supplemental application is also required. Students must meet all Teacher Education Program admission requirements before acceptance into the program. In addition to the required coursework, students must pass the Florida Teacher Certification Exams.

The Bachelor of Science in Education uses a 2+2 model requiring the completion of an Associate of Arts Degree, or at least 60 semester credit hours of postsecondary education from a regionally accredited college or university for entry into the program; these must include 36 hours of General Education Core Requirements

Visit the program's website for more information.

Program Entrance Requirements: Admission to Broward College does not constitute admission to the Teacher Education Program (TEP); a free, supplemental application is also required. Students must meet all Teacher Education Program admission requirements prior to being accepted into the program.

Requirements for admission to the Teacher Education Program include the following:

- Submission of a supplemental application.
  - Applications for the TEP will be accepted for the Fall and Spring terms. The supplemental application and application deadlines are available online at www.broward.edu/education.

- Completion of an Associate of Arts degree from a regionally-accredited institution or at least 60 semester credit hours of post-secondary education from a regionally-accredited college or university with 36 credit hours of general education coursework.

- A cumulative grade point average of 2.5 on a 4.0 scale for the general education component of undergraduate studies.

- A passing score on any one of the four (English, Essay, Mathematics, Reading) subtests of the General Knowledge Exam.
  - Students admitted to the program will be required to take and pass the remaining three sections of the General Knowledge Exam by the completion of their 15th credit.
  - To register for the General Knowledge Exam visit: www.fl.nesinc.com.

- Applicants must be in good academic standing at the last institution they attended.

- Broward College must have on file an official, complete transcript from each postsecondary institution attended, cumulatively indicating completion of 60 or more transferable credits by the applicant's entry term. Prior Broward College students do not need to submit Broward College transcripts, only transcripts from any other institutions attended.

- Completion of all general education requirements and lower division state mandated common prerequisites, including the following three common education prerequisites, in which students must have earned a grade of "C" or better:
  - EDF 1005 Introduction to the Teaching Profession

- Submission of a letter of recommendation from one person who knows the applicant personally, educationally, and/or professionally.
