

Associate of Science in Health Services Management - 2129

CAREER PATHWAY: [HEALTH SCIENCES](#)

Location(s): [General education courses are available at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus](#)

Program Entrance Requirements: HS Diploma or GED

Program Description: The AS degree in Health Services Management is designed for students who hope to work in the administrative areas of the health care field. Positions can be found in hospitals, clinics, insurance companies, pharmaceutical firms, and doctor's offices. Health Services Management professionals have little or no direct patient contact but provide service "behind the scenes." The curriculum is intended to prepare students to enter the upper division courses in Health Services Administration program. Technical Certificates represents a subset of specific Health Science courses within degree programs, and are not awarded to students as a stand-alone certificate for employment purposes.
