Notes: *Students are required to meet the college's Digital Literacy Requirement. The Digital Literacy requirement must be met by successfully passing CGS1060C, testing out, or completing a Credit for Prior Learning portfolio. The student's eligible for Federal Financial Aid for the CGS1060C course may be limited.

**These credits are awarded based on an established Articulation Agreement. The credits are awarded when the student has provided documentation of successful completion of one of the specific identified programs at a partnering Technical College or Florida Department of Education Apprenticeship.

***MAC1105C is a 5-credit Course. Students who register for this course must see an advisor to discuss their academic plan.

Many courses have specific pre-requisite and co-requisite requirements that must be followed. Students are encouraged to consult the Course Information Table for a detailed list of all requisite requirements.

This is only a recommended course sequence. Students are strongly encouraged to meet with an advisor to create a personalized educational plan.
