

Associate of Science in Criminal Justice-Crime Scene Emphasis 21102

CAREER PATHWAY: [PUBLIC SAFETY](#)

Location(s): Courses for this program are offered at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus.

Program Entrance Requirements: HS Diploma or GED

Program Description: This program is designed for students who hope to work in the field of law enforcement as crime scene technicians and/or police service aides and/or law enforcement officers. The program provides students with the knowledge, skills and training necessary to perform quality work as a crime scene technician, including the collection, preservation, documentation and presentation of criminal evidence. Students will also learn about the criminal justice and criminal courts system. This AS degree does not qualify students for state certification as a law enforcement or corrections officer. To become certified as a corrections or law enforcement officer a student must complete a Florida state certified Basic Recruit Training Program (Police Academy or Corrections Academy). Visit the program's [website](#) for more information.

		EVR1001		3	
		SPC1608	Intro to Public Speaking (Recommended)	3	
Total Program Credit Hours				60	28

Notes: All courses under the TC column are required to earn the Technical Certificate (TC) in Crime Scene. Students completing the AS degree will earn the TC and the AS upon completion. Some classes have pre-requisites that must be followed.

*Students are required to complete 6 credits of elective courses for the AS and 3 credits of elective courses for the TC. These listed courses are the recommended electives; however, students may choose electives from any college level course or any of the criminal justice elective options which include: CJC2000, CJE1300, CJE2170, CJE2400, DSC1002, DSC1006, DSC2590 and CJJ2001.

Students may have to take MAC1105C based on placement score. If the student needs this course, then 2 credits from this course may be utilized as an elective. E* One credit from this elective will go towards the TC. Students that anticipate transferring to FAU's School of Criminology and Criminal Justice program, should take two foreign language courses for their electives due to the program's foreign language requirements. Students do have the option of taking CLEP exams for the foreign language courses. Should students not take two foreign language courses or take CLEP exams for those courses, then students who have completed their A.A. or A.S. that transfer into FAU's School of Criminology and Criminal Justice program will have to take the two foreign language courses at FAU which will be in addition to the 60 credits needed to complete their bachelor's.

This is only a recommended course sequence. Students are strongly encouraged to meet with an [advisor](#) to create a personalized educational plan.
