Advanced Technical Certificate in Project Management - 4289

CAREER PATHWAY: Science, Technology, Engineering, and Math (STEM)

Career Pathway: Science, Technology, Engineering, and Math (STEM)
Location(s): Courses for this program are offered at all BC locations.
Program Entrance Requirements: HS Diploma or GED

Program Description: The Immersive Technologies Advanced Technical Certificate offered at A. Hugh Adams Central Campus prepares students to analyze, plan and develop effective solutions in the field of immersive technology, including virtual reality, augmented reality and XR. The program includes applying advanced concepts in 3D authoring and design, as well as computer programming for the gaming and instructional markets. Upon successful completion of this technical certificate, students should be able to secure employment as XR developers.

Visit the program's website for more information.
