Technical Certificate in Information Technology Support Specialist - 6337

CAREER PATHWAY: SCIENCE, TECHNOLOGY, ENGINEERING, AND MATH (STEM)

Career Pathway: Science, Technology, Engineering, and Math (STEM)

Location(s): Courses for this program are offered at all BC locations.

Program Entrance Requirements: HS Diploma or GED

Program Description: The Information Technology Support Specialist Technical Certificate offered at all Broward College campuses prepares students to support technology in a corporate environment. The certificate covers software application support, hardware support, network support, security, troubleshooting, and customer service skills. Upon successful completion of this technical certificate, students should be able to secure employment in helpdesk support positions. Visit the program's website for more information.
