**Effective Business Writing**
Communicating clearly and concisely in written formats is critical to your professional success. From clarifying and structuring your ideas to designing the PowerPoint slides that will best complement them, the techniques, interactive exercises, and checklists.

**Effective Emails, Memo, and Letters**
Communicating clearly and concisely in written formats like email, memos, and letters is very important in a workplace setting. Improve your use of these common business communication vehicles by providing best practices and effective tips and techniques.

**Effective Public Speaking**
Be an effective public speaker by discovering how to talk confidently and persuasively to both large and small groups. Equip yourself with the skills you need to communicate with ease and authority.

**Communicating Collaboratively**
In most organizational settings, you’ll be expected to work in teams. At times, your team members may not be physically in the same office with you. Improve your collaborative communication by providing best practices and effective tips and techniques.

**Virtual Teamwork**
Remote work settings create new opportunities and unique challenges for team members. While virtual environments allow for greater flexibility, team-oriented activities can get lost. The collaboration, creativity, and teamwork that seems to flow naturally in an in-person setting can often feel stilted in a virtual environment. This course examines the pros and cons of remote teamwork and provides strategies for overcoming challenges and promoting team success. Other topics include communication best practices, handling conflict, and goal setting.

**12 Steps to a Successful Job Search**
Learn how to get the job you want quickly, easily, and in any economy from a world-renowned author and career advisor. This course will help you identify the job that is best for your needs and provide complete step-by-step instructions on how to land it.

**Individual Excellence: Soft Skills/Power Skills**
Learn how to get the job you want quickly, easily, and in any economy from a world-renowned author and career advisor. This course will help you identify the job that is best for your needs and provide complete step-by-step instructions on how to land it.

**Computer Skills For the Workplace**
Confidently apply for jobs knowing that you possess the computer skills needed to perform on the job. This course includes a great introduction to Windows 10 and Office 365 so that you can prosper in a modern workplace.

LEARNING OPTIONS | Online Live, Classroom, Online Courses, Customized Training, On-demand Learning, Self Paced

COURSE CANCELLATION | Broward College reserves the right to cancel any course that does not meet student enrollment requirements. If insufficient enrollment requires cancelling of a course, tuition fees will be fully refunded. Continuing Education reserves the right to cancel courses due to weather, emergencies, extenuating circumstances, or at the discretion of the college. Students will be contacted if cancellation impacts their schedule.

WITHDRAWALS AND TRANSFERS | Withdrawals: A student may withdraw from a course or educational activity that has not started, by logging onto their Broward College account. The student will receive a 100% refund between 10-15 business days back to the original method of payment used. Refunds: Students who register and pay for an educational activity, but do not attend, forfeit the entire registration fee. Online, Remote Learning, and Online-Live classes are not refundable once the class has begun. Email ce@broward.edu.
