Virtual Reality Gamified Learning

I CAN!
Health Career Immersion

Nurse, Jr.
Paramedic, Jr.

BROWARD COLLEGE
KIDS & TEENS SUMMER College
Ages 8-17
June 20 - July 21
CLASS SIZE
Classes are small to ensure students get individualized learning experience. Our student/teacher ratio is 8:1.

INSTRUCTORS
Students will learn from qualified experts credentialed in the subject areas they teach. All instructors receive background checks and go through approval process.

WORK-BASED LEARNING
Students will have a chance to learn-as-they-go through virtual reality simulated work experience. This allows them to apply what they’ve learned.

SESSION DATES
Please note dates and length of class when registering.
Session 1 June 20–23
Session 2 June 26–30
No classes July 3–7
Session 3 July 10–14
Session 4 July 17–21

COST
Quarter-day: $79-169*
Half-day: $199*
Full-day: $299
*unless otherwise noted

HOW TO REGISTER
Online: broward.edu/youth
In person: Central
Request a callback for help registering

PHYSICAL RELEASE/MEDIA FORM
A physical and media release form must be completed and given to the instructor on the first day of class.

REFUNDS OR TRANSFERS
Please note, no schedule changes or refunds are given after the first day of class.

CLASS CANCELLATION
Broward College Kids & Teens Summer College reserves the right to cancel courses due to low enrollment, college emergencies or other extenuating circumstances. You will be notified if this occurs and sent a complete refund within 10-15 business days.

DISMISSAL
Students may be dismissed from a course and/or the program for non-payment of fees, behavior and/or violation of Broward College and Kids & Teens Summer College rules and policies. No refunds will be given in the event of dismissal.

DAILY PROCEDURES
Parents, drop off students at their classroom. Please be prompt at dismissal. If students are not picked up on time, they may be taken to the designated pick-up area (see below). A $35 charge may apply for late pick-up.
Parents, please instruct students, in advance, to speak with the campus supervisor if an emergency should occur, and you will be late to pick them up.
In case of an emergency, call or text: 954-201-7801

ILLNESS
Students who are ill should not attend class. Parents/guardians will be called if a student becomes ill.

ATTN PARENTS: Find out if you qualify for a tuition-FREE industry certification program.
Get ready for your kids to have an unforgettable summer adventure with the Kids & Teens Summer College program! They will immerse themselves in a world of learning and excitement on a real college campus. But remember, this is no ordinary summer program – they'll be expected to behave like a college student and be in their best behavior! We know their safety and happiness are your top priority, so please make sure you registered your children for courses to stay on campus and make the most of this amazing opportunity!

**Steps To Career Success**

- **Earn Post-Secondary Credential**
- **Earn KTSC Digital Badge**
- **Develop Skills**
- **Consider Career Paths**
- **Identify Interests**

100% 89% 8/10 430

Parent and student satisfaction Instructors credentialed and/or actively working in industry of course KTSC student earned digital badges KTSC alums who later earned career credentials

*Data from BC Institutional Effectiveness and program survey from students/parents.

1 Learn new skills
Broward College Kids and Teens Summer College offers a wide range of classes and activities that can help children develop new skills and interests. By trying new things and learning new skills, children can gain a sense of accomplishment and boost their self-confidence.

2 Meet new people
Attending Broward College Kids & Teens Summer College can provide children with the opportunity to meet and collaborate with new people from the community. This can help them develop their social skills, make new friends, and expand their worldview.

3 Stay academically engaged
Summer can be a time when children lose some of the academic progress they made during the school year. However, attending Broward College Kids & Teens Summer College program can help children stay academically engaged and prevent the "summer slide."
Have Fun Learning

If you are looking for a way to help your child learn and grow this summer, our Kids & Teens Summer College program is a great option. Our program will provide students a unique and enriching experience that will stay with them for years to come. Here, your child will learn new skills, explore their interests, and have fun!

Our program will help students develop critical thinking, problem-solving, communication, and collaboration skills. In addition, students will learn that creativity may be applied to many more roles than those in the arts since creativity is often necessary to find innovative solutions to complex problems.

Upon completion, students will have a better understanding of why technology has made it possible for creativity to be a very valuable asset in highly technical and specialist roles.

### Career Exploration

Your child will be introduced to emerging careers through fun and engaging virtual reality immersive experiences.

The careers will be in the following industries:
- Healthcare
- IT
- Skilled Trades
- Hospitality & Tourism
- Public Safety
- Automotive
- Aviation
- Manufacturing
- Construction
- and more

They will develop problem-solving and decision-making skills while developing a stronger foundation to guide their career planning decisions.

### Healthcare

- Participate in virtual and in-person simulated scenarios in healthcare programs such as EKG, Nursing, Paramedic, Phlebotomy, etc.
- Tour Broward College Simulation Center.

### Entrepreneurship

- Explore various aspects of Business: Elevator pitch, business plan, connecting with a mentor. Launch your start-up in the “Shark Tank” style production with innovation and creativity!

### IT/STEM

- From coding and software development to robotics and engineering, students will gain valuable skills that prepares them for the ever-evolving technological landscape.

### Technical Skills

- **Healthcare**
  - Access to specialized healthcare equipment.

- **Entrepreneurship**
  - Creativity
  - Communication
  - Problem Solving

Stay in touch!
**Careers in a Week!**
Students will explore career pathways including healthcare, robotics, finance, logistics, and digital marketing. This interactive course includes hands-on and virtual activities to engage students in the career options available.

**EDI 0039**
24 HRS. $199

**EKG Technician Jr.**
Learn function and proper use of EKG equipment performing hands on skills. Review the anatomy and physiology of the heart, calculate heart rates, and types of ECGs.

**EDC 0551**
15 HRS. $199

**I CAN! Health Careers Immersion**
This course is designed to immerse students in a realistic experience to practice skills as a healthcare worker in roles such as a nurse, paramedic, and physician assistant in a risk-free environment.

**EDC 0596**
24 HRS. $199

**Nurse, Jr.**
This immersive, interactive course reviews foundations, safety, infection control, and types of nursing specialties through virtual and hands-on skills covering topics such as handwashing, gloving, soft skills, and vital signs.

**EDI 0745**
15 HRS. $199

**Phlebotomy Technician, Jr.**
Learn how a phlebotomist collects, labels and processes blood samples and/or other specimens from patients, such as saliva while ensuring the patient's safety, privacy, and comfort.

**EDC 0581**
15 HRS. $199

**Physician Assistant, Jr.**
Work alongside doctors, nurses, and other healthcare providers to oversee and monitor patients. Gain the technical skills needed to solve complex patient care and medical issues.

**EDC 0589**
30 HRS. $399

**I CAN! Start My Business**
Learn to start and run a successful business, from conception to investment pitch. Design a startup and make critical decisions as an entrepreneur with this hands-on course.

**EDI 0730**
30 HRS. $399

**Online Courses**

**Microsoft Excel, Outlook, PowerPoint, Word**
Learn how to use Microsoft Office leading business software applications to work and collaborate efficiently.

For additional descriptions and details of STEM and Drones KTSC online courses visit us online.

**Campus Tour– Early Drop Off**
Discover the College's benefits, amenities, and experience.

**EDI 0950**
19 HRS. $29

**Project Manager, Jr.**
Project management is essential for all working professionals. Especially regarding technology, business, government, and even logistics. Learn how project managers and project team members execute planning, implementation, closure, and follow-up. Take your first step to becoming Project Ready and earning your certification.

**EDI 0818**
15 HRS. $199

**Web Developer, Jr.**
Learn to create dynamic database-driven websites with the latest technologies. Master HTML, CSS, and JavaScript for designing and building interactive web pages.

**EDI 0736**
15 HRS. $199

**Cyber Security Professional, Jr.**
Gain essential IT and security skills applicable in various roles. Learn to protect, detect, and respond to network threats and mitigate cyber breaches in this growing industry.

**EDI 0688**
15 HRS. $199

**AWS Cloud Developer, Jr.**
Start your path to certification with Amazon Web Services. Learn to use AWS, develop secure and scalable cloud applications, and prepare for the future with key concepts and best practices.

**EDC 0940**
15 HRS. $199

**Data Analyst Jr. w/ Excel**
Learn how data analysts collects, processes, and performs statistical analyses on large datasets and create visualizations and reports to communicate their findings to stakeholders and help businesses make data-driven decisions.

**EDI 0749**
15 HRS. $199

**Digital & Social Media Marketer, Jr.**
Learn how to use Microsoft PowerPoint 2010 to create exciting slide presentations that include SmartArt, multimedia, animation, sound, charts, clip art, and hyperlinks.

**EDI 0473**
15 HRS. $199

**Graphic Designer, Jr.**
Learn photo editing, design composition skills and how to determine a client's needs using Adobe Photoshop.

**EDI 0683**
15 HRS. $199
