Admissions Criteria for High School Students

1. **Initial Eligibility Requirements** - High school unweighted 3.0 grade point average on a 4.0 scale, and testing college-ready in all areas: English, Reading and Math.

Continued Eligibility - Earn a grade of "C" or better in each course and maintain a 2.0 college grade point average on a 4.0 scale. If the student is projected to graduate from high school before the scheduled completion date of a postsecondary course, the student may not register for dual enrollment. The student may apply to the college and pay the required registration, tuition, and fees if the student meets the college's admission requirements under s.1007.263.

2. Students participating exclusively in the Student Life Skills (SLS) course must be a high school junior or senior with an unweighted GPA of 2.5-2.9, as indicated in the Dual Enrollment Articulation Agreement.

Accessibility Resources

1. Students requesting academic accommodations due to a disability must contact [Broward College's Accessibility Resources](#) department to apply for services.

2. If approved, students will be provided with an accommodation plan to deliver to their instructors. Once received, accommodations will begin in that class. Any grades received prior to this date will not be changed.

3. Different laws apply to college than high school. As such, accommodations approved at Broward College may be different than those in high school.

College-Level Course Outcomes and Expectations

1. Any letter grade below a "C" will not count as credit toward satisfaction of the requirements in Rule 6A-10.030, F.A.C. All grades are calculated in a student's GPA and will appear on the student's permanent college transcript.

2. All grades, including "W" for withdrawal and "WN" for withdrawal for non-attendance, become a part of the student's permanent college transcript, counts as an attempt, and may affect subsequent postsecondary admission, scholarship, and financial opportunities.

3. Students may not repeat courses of which a W, WN, D or F grade was earned while in the DE program.

4. Dual enrollment students are required to abide by the same guidelines outlined in BC's Student Handbook, which contains the academic calendar, code of conduct, students' rights and responsibilities, grading and evaluation process, academic dishonesty, disciplinary procedures, as well as accommodations provided for students with disabilities. **No exceptions to these guidelines will be made for dual enrollment students.** The student handbook is published online at the following address: <http://www.broward.edu/studentlife/publications/Pages/Student-Handbook.aspx>.

5. While appropriate for college-level study, course materials and class discussions may reflect topics not typically included in secondary courses. Courses will not be modified to accommodate variations in student age and/or maturity.

6. To minimize student costs for excess hours, parents, students and their school counselor should select courses to meet high school graduation and college degree requirements, including approved program common prerequisites. General education courses are strongly encouraged. Visit our [Dual Enrollment Home Page](#) for a complete list of dual enrollment approved courses.

Attendance/Drop/Withdrawal Requirements

It is the student's responsibility to attend all classes in which the student is enrolled. Students who wish to drop or withdraw from a course are responsible for completing this process online or at a BC admissions office by the published deadline dates on the academic calendar by session. Students must notify their school counselor if they choose to drop or withdraw from a course. Each faculty member is required to report non-attendance through the enrollment verification period which will result in a grade of WN on a student's transcript.
