Step 4: You will see this confirmation as shown below. Check your email for a link to a page where you can set your password.

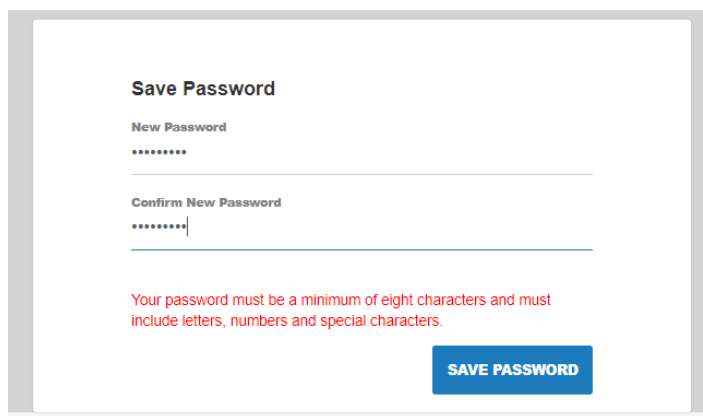

Step 5: You will receive an email to the personal email you created your account with. Go to that email and click **Set Password** as show below.

Step 6: After clicking Set Password above, you will see the below. Click on **Reset Password**.

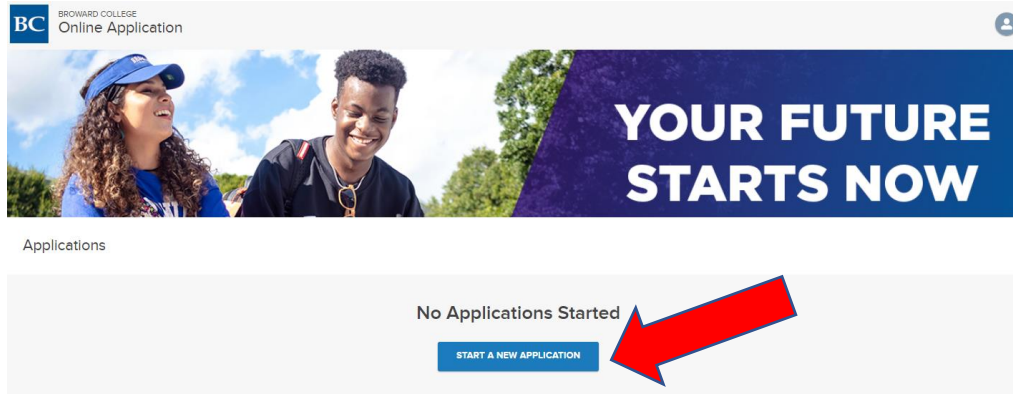

Step 7: Enter your password below and click **Save Password**.

The image shows a web form titled "Save Password". It contains two input fields: "New Password" and "Confirm New Password", both with masked characters (dots). Below the fields, there is a red text requirement: "Your password must be a minimum of eight characters and must include letters, numbers and special characters." At the bottom right, there is a blue button labeled "SAVE PASSWORD".

Step 8: After you have set up your password, you can click on **Start New Application**.

Step 9: Start completing your **New Application**. Choose **Yes** from the drop-down menu that asks:

Are applying to Broward College's Dual Enrollment/College Academy program to earn college credits or an Associate of Arts (A.A.) degree while still attending high school?

Select your semester of enrollment and click **Start Application**.

New Application

Are you applying for Broward College's Dual Enrollment/College Academy program to earn college credit or an Associate of Arts (A.A.) degree while still attending high school?

Yes

Not sure? Our Dual Enrollment program is a program for current high school students to earn both high school and college credit at the same time.

Term

Please select one

Step 10: You will then come to the below screen. Read it carefully. Here are some **Notes**:

- You **will** need your Social Security number on this application if you are a US Citizen or Permanent Resident.
- You **will not** need any immigration documents as listed below as dual enrollment students are not required to prove immigration status or FL residency.
- You can save your progress and log back into the application if you cannot complete it all at one time.

- You can click on the Navigation Menu on the left to see where you are in each section and which sections are complete.
- **Acknowledge** and **Save and Continue**.

We are excited you are here!

Before you start, please take note of these helpful tips:

Documentation: You may need some of the following documents to complete the application process:

- Social Security Number
- Immigration documents to include (Passport, Visa, Permanent Resident Card, Employment Authorization Card, etc.)
- Professional licenses (RN, FAA, EMT)
- Professional Certifications (CPR, ACLS)
- Unofficial Transcripts
- Unofficial Test Scores

Save Your Progress: As you complete your application, we recommend selecting the "Save and Continue" button as frequently as possible. This will help ensure that your progress is always saved and up to date.

Navigation Menu Guide: To access the various sections of the application and monitor your progress, please follow these steps:

1. **Expanding the Sidebar:** Click on the navigation menu located on the left. This will expand the sidebar, revealing the different sections you need to complete.
2. **Tracking Your Progress:** As you start answering questions in a specific section, the circle indicator to its left will turn yellow. Once you've completed all questions in that section, the circle will change to green, signifying that the section is fully completed.
3. **Updating Application Type:** While you're within the application, you can also utilize the navigation menu to modify your program of study, commonly referred to as the application type.

Application Fee: A one-time non-refundable application fee of \$35 or \$75 will be assessed depending on your immigration/citizenship status. Although the application has a required non-refundable fee, you can complete and submit the application now and pay the fee later. High School Dual Enrollment and Early Admission students are not charged this fee.

Ask for Help: If you're stumped by a question let us know. We're here to help. For application assistance, you can:

Step 11: Scroll down to start completing the next sections of the application. You will complete the following listed sections:

- Personal Information
- Contact Information
- Emergency Contact Information
- High School Information
- Enrollment History
 - If you select that you did complete **dual enrollment credits at another institution**, you will also need to fill out the section called "College Information".
- Additional Information

After you have completed all sections, you will click the **Save and Review Application** blue button on your application.

Step 12: Scroll down and re-review your application on the left-hand side of the webpage. Once you are sure all information is correct, you can click **Submit Your Application**.
