The Department of Education has selected your 2020-2021 Free Application for Federal Student Aid (FAFSA) for Unusual Enrollment History (UEH) because you have received Federal Pell Grant and/or Federal Direct Loan funds from multiple institutions during the review period. To view your enrollment history, log on to <u>www.nslds.ed.gov</u> using your FSA ID. The award years reviewed by the Department of Education are:

- 2016-2017 Award Year
- 2017-2018 Award Year
- 2018-2019 Award Year
- 2019-2020 Award Year

In order for the Financial Aid Office to review your UEH, you must submit the following:

STEP 1: A detailed, typed letter explaining your enrollment history at all prior institutions where you were awarded federal student aid. The letter must include dates of attendance and reason(s) for not completing your program of study/earning academic credit at each school. The letter should also include your intent for success at Broward College.

STEP 2: Unofficial transcripts from the prior institutions where you received Federal Pell Grant and/or Federal Direct Loan during the award years listed above.

STEP 3: Schedule an appointment with an academic advisor to complete an Academic Student Success Plan (see page 2).

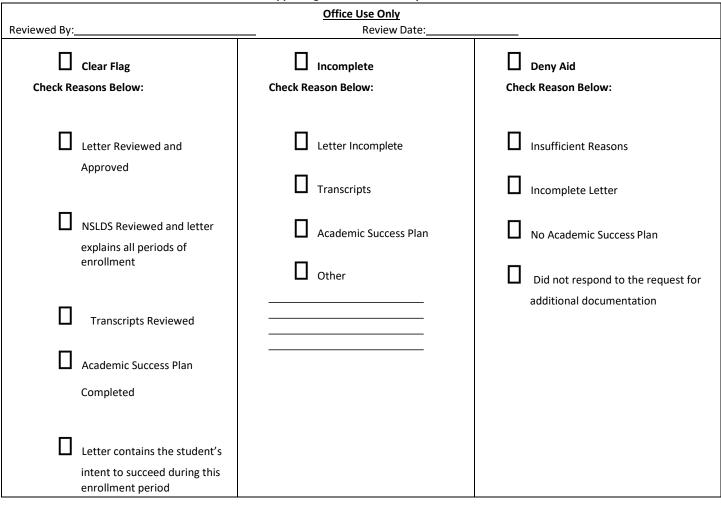

Please allow 7-10 business days for processing. The Financial Aid Office may contact you for additional documentation, such as transcripts if needed. Please check your Broward email for the status of your review.

By signing this plan, I certify that the program on my academic profile/plan is accurate and that I will follow it. I have reviewed the program requirements with my academic advisor and developed a realistic plan to complete my program of study. I also agree to take only those courses that are required for my program, as outlined on the attached program evaluation and my educational plan, to earn credits for all courses attempted and eliminate a pattern of withdrawals and failures, if applicable, and follow the recommendations of my advisor. If I am required to

take developmental courses, I agree to focus on completing those courses as advised by my advisor. If I change my program, I understand that I may jeopardize my eligibility for financial aid, and I understand that this plan does not guarantee financial aid eligibility.
