Subject: Your Broward College Financial Aid Could be Adjusted

If you or your family have had a reduction in employment or income since 2019, your financial aid award could be changed to reflect your current financial situation.

To start this process:

- Go to [Financial Aid Forms](#)
- Select Special Circumstances
- Under 2021–2022 Forms, Select Request for Income Adjustment
- Please complete the form and submit all relevant and requested supporting documentation.

If you have any questions or need additional assistance [connect with a financial aid advisor](#).
