Subject: CARES Act SEAhawk Grant Application Now Open-Apply by 10/27/2020

Dear students,

We are pleased to inform you that Broward College has re-launched the CARES Student Emergency Aid (SEAhawk) Grant. The grant will disburse the funds received from the federal government to students impacted financially by the outbreak of COVID-19.

The grant is currently available to Broward College students who were enrolled in Summer 2020 and/or Fall 2020 and meet the following criteria:

1. Must have a 2019-2020 (Summer) and/or 2020-2021 (Fall) Free Application for Federal Student Aid (FAFSA) on file with Broward College. You cannot be awarded these funds if you don't have a FAFSA on file.
2. Must be/have been enrolled in a Title IV eligible degree program at Broward College in the term in which the student is applying for aid.
3. Must be/have been meeting SAP guidelines for the term in which the student is applying for aid, either passing or by appeal.
4. Must not have Pell grant overpayments or have a federal loan in default.
5. Must have completed a statement of educational purpose and verify identity (SSN).
6. Must not be a dual enrollment or early admission high school student.
7. Must have additional expenses related to the disruption of campus operations due to coronavirus.
8. If you were previously awarded in the Summer term, you are not eligible for a second Summer award. However, you can apply for a Fall award, if you are enrolled for the Fall term.

If you meet these criteria, please complete the application link below by October 27, 2020. Your application will be assessed, and your eligibility for award determined. Awards will vary from a minimum of \$150 to a maximum of \$850 and will be determined based on need.

We know that many of our students have faced challenges during this pandemic, and Broward College stands ready to continue to support you in your academic goals. We are here for you and look forward to welcoming you this Fall.
