College Success® Terms of Service

I. IMPORTANT NOTICE TO SUBSCRIBER...PLEASE READ CAREFULLY:

The terms "we", "us", and "our" refer to Vantage Labs, LLC, McCann Associates Holdings, LLC and its affiliated companies (collectively "McCann"). "You", "your", "grantee", "subscriber" or "end-user" refer to the individual and the entity that has procured and/or who (which) accesses or uses Services whether the end-user has purchased and paid for Services directly or whether Services have been procured for the benefit of end-user access and use at no additional charge to such end-user. By way of example, an educational institution may pay for its administrators, teachers and students to access and use Services. Similarly, a corporation could pay for its employees to access and use Services. As an end-user, you are bound by the terms and conditions of these Terms of Service, whether you have paid directly for Services or whether your access and use of Services has been paid for by a third party. "Subscription Services" or "services" refer to software service application accessed by you via the internet. "Technical services" refers to support, consulting, or other services including customizations you have ordered (if any apply). The terms 'Subscription Services' or 'service(s)' may be used interchangeably within this document.

II. LEGAL AGREEMENT

These Terms of Service ("ToS") constitute a legal agreement between you (either an institution, college, school, an Individual or a single entity subscriber) as Subscriber Licensee/Grantee and McCann, Licensor/Grantor for use of the Service incorporating proprietary underlying Virtual Scoring Toolset™ and IntelliMetric® or other proprietary technologies and any related documentation. Services are accessed solely through use of the software services IP domain, web address and Application Protocol Interface (API) technology via the Internet. By using the Service, you agree to be bound by the terms of this Agreement and subscription. If you do not agree to the terms of this Agreement, you may not use the Service. The Service is licensed on a software-as-a-service basis through subscription, it is never sold. The terms and conditions for access to and use of Services include and protect any related documentation or materials that may be distributed to you or to which you may gain access as an institution or as an end-user. Your access to and use of Services is authorized exclusively by McCann at its sole discretion and is further contingent upon timely and reasonable payment of subscription and/or service fees as a condition precedent to initial and continued end-user access and use of such Services. Typically, the Service is procured on an entity-subscription or individual-use basis. For applicable details, check with the entity with which you are associated or employed, and which has purchased Services for your related use. Pricing, fees, as well as the manner and timing of payment for Services may be governed collaterally by separate purchase order. For further details, check with the entity with which you are associated or employed, and which may have purchased Services for your use. **By purchasing or using Services, you agree to be bound by the terms of this Agreement.
