CLEP Score Transcript Request Instructions

CLEP is considered a credit-by-exam which is processed like transfer credits from another college and not like other standardized test scores. All credit-by-exams are processed as external transcripts by the Transcript Department of the College Registrar’s Office. If credit-by-exam transcripts are received electronically, it usually takes 3 weeks or for the evaluation to display on your Broward College transcript. If you manually enter the address of Broward College when submitting your CLEP transcript request, it will initiate the mailing of a paper copy which takes much longer to receive and evaluate, typically 6-8 weeks. Please follow the instructions below to send your CLEP transcript electronically to Broward College.

*Please note that CLEP score entry is not done by the Testing and Assessment Center.*
