**Notes:**

ELL Test Scores approved for use by Alternative Methods/EAP Workgroup on July 22, 2020. ELL test scores are approved for use for placement into EAP courses for the 2020-2021 academic year.

<sup>1</sup> Not all EAP Placement Tests will place students into all EAP levels due to exam design. Some EAP Placement Test writing subtests only place only place students as high as Level 5.

<sup>2</sup> Enrollment into ENC1101 requires placement at the Exempt level in all 3 EAP skill areas. Course completion through the entire skill area sequence, in all three skill areas, will also allow enrollment into ENC1101 providing the student has a set of common placement test scores on file for Reading and Writing.

\* A set of common placement test scores must be on file for Reading and Writing before students can matriculate into ENC1101.

\*\* All EAP courses require a passing score of 'C' or higher to show course completion.

\*\*\* EAP Placement subtest scores are valid for 1 year. This includes ELL subtest scores being used for EAP course placement. ELL total scores used for International Admissions decisions are valid for 2 years.
