8 Career Pathways
[http://www.broward.edu/academics/programs/Pages/default.aspx](http://www.broward.edu/academics/programs/Pages/default.aspx)
The College offers more than 140 programs through eight pathways, including business, health, the arts and humanities, education, social and behavioral science, STEM, and public safety. Embedded within each pathway is a tiered program map which includes professional and salary information for:

- Associate in Science (A.S.)
- Associate in Arts (A.A.)
- Bachelor

The College also offers a wide variety of student support systems and extracurricular activities to enrich and supplement experiences in the classroom.
Associate in Science

Two years of specialized training designed to allow the student to enter the workforce in a high-demand career with guaranteed job skills.

Students can continue the education by transferring to a Bachelor's program at Broward College or other articulated AS to Baccalaureate degree programs.
Transfer degree:
It guarantees* transfer into one of Florida's four-year state colleges or public universities.

*The guarantee does not apply to limited access or teacher certification programs or a major program requiring an audition.
